Dear Parent 21 October 2021

PARENT GOVERNOR ELECTION

I am writing to advise you that there are four vacancies for parent governors on our school's governing body and I therefore invite nominations to fill the vacancies. Two of our existing governors are prepared to stand for re-election, Mr Mark Bridle and Mrs Caroline Burton. Nominations are invited for all vacancies.

Parent governors play an important role as members of the Governing Body, which is responsible for directing the conduct of the school and for promoting high standards of educational achievement. As a governor you help to ensure the school is run effectively and to the highest standard. It is a very varied, rewarding and interesting role as you may become involved in many different aspects of the school. The normal length of appointment is 4 years.

Please consider becoming a parent governor for the school. At Goldington Green Academy we are proud of the fact that we are a very diverse school community drawing children from all backgrounds and we are keen that our Governing body reflects this diversity. We welcome applications from all sections of our community.

If you are interested and want to know more, please look on the School website under the Governor section, speak to me or I can put you in touch with a current parent look at the School website under the Governor section.

Training is available for all governors and those new to being a governor are encouraged to attend induction training.

If you would like to stand for election, please complete the enclosed nomination form and return it to the school not later than Monday 1st November.

Nominations must be from parents with children at the school on the day that nominations close.

If there are more nominations than vacancies the election will be by secret ballot. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure.

Yours sincerely

Mrs C Skingsley
