

# World Streetdance Championships 2017

Over the summer Leah has been very busy rehearsing many hours each week in preparation for travelling to Glasgow to compete in the World Streetdance Championships 2017 with her Dancevybz team Switch.

The team placed 2nd in the regional competitions in Peterborough & Coventry earlier in the year, they earned their place in the World Championships. On the first day of competition in Glasgow, her team got straight through the first round competing against 24 teams worldwide for a place in the final on the Sunday. They then danced their socks off in the final and made 3rd place which means in the **U10 BEGINNERS category they are 3rd in the world!!** All dancers are aged 6-10years.

Leah has since danced the winning performance in the Riverside Bedford Open day at the weekend, she will be showing it again this Sunday (10<sup>th</sup> September) at the Bedford Park Harper Trust event amongst other events they have been asked to attend in the coming months.

The team has automatically qualified for World Championships 2018 as well as the European Championships 2018 in Germany where they will now start work on a new set.

We will look forward to hearing all about Leah's endeavours during the course of the year. We would also like to wish Leah and her team all the very best with their accomplishments over the forthcoming year.

Please click onto the link below to view the team's performance.
