

Well done Kaci!

In November 2017 Kaci cut 7 inches of her hair off for the Little Princess Trust. This charity collects donations of hair to make wigs for children who have gone through medical treatments which have caused them to lose their own hair. Through sponsors Kaci also raised £83 which she kindly donated to the charity along with her beautiful hair. We are all very proud of Kaci for showing so many of our school values in this one kind gesture.
