

To respect everyone equally

To make the world a better place by showing our values

To learn skills we need for our whole life

To teach in ways that makes us the best that we can be, no matter which stage we are at in our learning.

**Making us the best that we can be**

**Making sure we are doing and feeling OK**

To provide us with a safe and happy place to learn that supports us in being the best that we can be.

To care for the world

Like little seeds always aiming higher. Give, Grow & Aspire

**Preparing us for our next part of our learning journey**

**Supporting our family and carers to help us to be the best we can be.**

To enjoy everyone's achievement and never give up.

To give us lots of challenges in our learning that will support us in being the best that we can be.

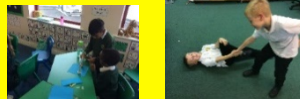

To make our school supportive and welcoming to all of our families.
