

GGA- Summer Computing Knowledge Organiser for Year Six 6.7 Quizzing

Vocabulary

Audience	People who watch a performance or use a resource.
Audio	Sound (especially when recorded)
Case-Sensitive	Differentiating between capital and lower-case letters.
Cloze	A test in which words are removed from a text and replaced with spaces. The learner has to fill each space with the correct word(s).
Participant	The people who answer the questions in a survey.
Preview	To see what something (or part of something) looks like before committing to it being the final version.
Quiz	An activity in which participants answer questions and receive a score dependent upon correct answers.
Survey	A set of questions distributed to an audience whose responses are collected and analysed.

Skills that I am going to learn.
