This timetable is just a suggestion that closely matches the teacher input we will be providing in school. We recommend that your child follows a plan that is convenient for your family not necessarily this one, however you **must attend our registration and story session at 9.30am every morning.** All inputs will be live via Zoom at the times stated on the timetable, please join the online zoom meeting 5 minutes earlier to ensure we can get started on time. If you are unable to make the live session, this will be recorded and uploaded to Google Classroom to access at a more convenient time. There will be activities uploaded to Google Classroom that follow on from the live inputs and any recordings will be added to the existing assignments.

During your free play sessions we encourage the children to be creative and explore activities of their own choosing, much like they would in school.
