

A Message from the Board of Governors

Dear Parents and Carers;

As my third year as Chair of Governors draws to a close, in this nurturing and happy school, I'd like to reflect on some of the school's achievements. It has been a privilege and a pleasure to see the children grow and flourish as they progress here. I want to thank the wonderful staff and dedicated Headteacher who work tirelessly to ensure the best possible outcomes for the children, in a rich and vibrant learning environment.

The Governors and I would like to wish our Year 6 pupils the very best for their journey into Secondary school. We will miss them very much but know they are fully prepared for the next step.

Vicki Carter (Chair of Governors)

Sporting Successes

There were also numerous sporting achievements over the year, including:

- Involvement in the Bedford Sports School Festival
- External Sports Competitions including becoming finalists in the County Girls' Football Final.
- Fantastic Sports Days, including the KS2 event at the International Athletics Stadium.
- Another great year for the Football Teams, and the Tennis team.
- The development of our new Multi Use Games Area (MUGA).

None of these events could take place without the dedication and commitment of all the school staff and parent volunteers.

The Governors would like to thank everyone involved.

This year's Priorities

We are a partner in the Schools of

Tomorrow Fellowship (SOTO) Our purpose is

to prepare young people to be happy, successful and be able to make a valued contribution to bringing improvements for all in whatever situation they find themselves throughout the world.

There are 4 priorities which we have identified as areas of School Development, these are:

Priority 1: To refine and embed systems that are accurate and timely in ensuring pupils' progress. To ensure that outcomes for KS2 students accurately reflect their achievements and the aspirations of the school.

Priority 2: To review our curriculum to ensure that intent, implementation and impact are addressed with a particular focus on the arts and is relevant to our children.

Priority 3: To develop pupil leadership and pupil voice across the whole school so that they are empowered to be independent, resilient and self-

Priority 4: To create Vision & Values statement that reflects our school as a primary and its community.

Have a wonderful break, enjoy the holidays, and we look forward to welcoming you back in September!
