Areas to Strengthen

Curriculum Communication

We'll enhance how we share curriculum information with families, including termly overviews and knowledge organisers on our website and in newsletters.

SEND Support Visibility

We'll ensure our SEND provision is more visible to all families, including clearer communication about support structures and staff roles.

Clubs and Activities

We'll continue expanding our offer, with new lunchtime and after-school clubs.

Behaviour and Bullying

We'll share more about our behaviour policy and anti-bullying strategies, including pupil voice initiatives and restorative approaches.

Personal Development

We'll spotlight how we support children's wider development—through assemblies, PSHE, enrichment, and leadership opportunities.

Listening and Responding

We'll continue to offer open channels for feedback and ensure concerns are followed up with care and transparency.

We believe that strong partnerships with parents and carers make all the difference. Here are some ways you can support our next steps:

- **Be part of the conversation:** Speak to staff about your ideas — your voice helps shape our school.
- **Share feedback:** If you have thoughts on inclusion, behaviour, or curriculum clarity, we'd love to hear them.
- **Attend upcoming sessions:** We'll be offering workshops to explain our curriculum and behaviour approaches — look out for dates.
- **Celebrate successes:** Let us know when something's working well for your child — it helps us build on what's going right.
- **Stay connected:** Whether it's a quick chat at drop-off or a message via the office, we're here to listen.

Together, we're building a school where every child feels safe, valued, and inspired to thrive.

Kind regards

Caroline Skingsley
