Skills that I am going to learn

I can track a ball over a net.

I can move towards a ball.

I can begin to hit and return a ball using my hand or racquet techniques with some consistency.

Why are we learning this?

To know how to:

- Develop hitting skills with different balls.
- Track, intercept and stop different balls.

Why is it important?

So we can select and apply skills to win when playing some net/wall games that involve throwing, catching and sending over a net

Skills that I am going to learn

I can explain the importance of emotion and feeling in dance.

I can improve and master my ability to describe and explain different ways performers can transition and link shapes and balances.

Why are we learning this?

To know how to:

- Use stimuli to copy, repeat and create dance actions and motifs.
- Explore relationships through different dance formations and movements and begin to use them

Why is it important?

So we can perform more sophisticated formations independently and in a group.
