

Good afternoon,

The teaching and delivery each day is based on what the children would be receiving if they were attending in person and the curriculum coverage will continue to follow the National Curriculum and our knowledge organisers and progression of skills documents.

Please see the zoom link below for this. It is really important that your child attends this video call as an opportunity for us to see your child. Please let us know in advance if your child will be unable to attend this daily live session.

The year 4 team are inviting you at 9.15 every morning to meet with us all.

Some lessons will have a teacher input video attached with them, these will be pre-recorded to allow your child the opportunity to carry out lessons when it is convenient. Some of these recordings were live teaching with the key worker children in school.

If your child encounters any technical difficulties or needs academic support, please let your child know they can ask us for help or ask any questions. This is possible either on Google Classroom by turning in work asking for help or by emailing us directly. We will then suggest a time to make contact with your child as soon as we are able to.

We will not be setting online homework for the time being but will upload the Spring Term grid homework to the website and to Google classroom should you and your child wish to complete it. We will also set weekly spellings.

Please continue to encourage your child to read at least 5 times a week and keep a note of these in their planners. We will then add these to their running totals when school reopens so that these count towards their reading at home badges. If you need extra books to read, there are free ebooks available at <https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/> These are matched to our book bands so you can pick a book at the level your child is reading at.

We understand that this may be a worrying and uncertain time for you and your child, please don't hesitate to contact us if any wellbeing support is needed.

As per the remote learning policy, all work submitted by 1pm will be marked the same day, any work submitted after 1pm will be marked within 24 hours. Your child will be expected to go back and check the marking on their work and respond just as they would if they were in class.

Thank you,

Kind regards,

The year 4 team.
