# Tracking progress

## Assessment

- Each child's progress is tracked against the national standards.
- This enables both you and your child to clearly see their next steps in learning.
- If you would like to speak to me about your child's progress please do not hesitate to contact the school office or me directly to make a mutually convenient appointment.
- You will be invited to attend at least two formal parent consultation meetings during the course of the school year. At these meetings I will update you on your child's progress and achievement.
- You will be given a record of the parent consultation information to take home showing the progress your child is making.

# Reading Books

Digital reading books will be assigned to your child and changed at least once a week.

**This is a new system for Year 1 so please bear with us while we get to grips with it!**

As last year, children's home reading will be accumulated over the year and will provide opportunities to achieve reading badges.

Family reading on Friday at 8:30am
