

GGA - Art Knowledge Organiser for Year 5 – Summer term – The Mayans

Skills

Sculpture	<ul style="list-style-type: none"> To be able to sculpt a pot and add detail
Painting	<ul style="list-style-type: none"> To be able to choose colours and add details to decorate a pot

Why are we learning this?

- To develop techniques in sculpting with clay
- To be able to add detail with paint to create a finished Mayan cooking pot

Why is it important?

- So that I understand and can talk about Mayan pottery and what it might have been used for
- To develop skills in sculpting and joining clay

Vocabulary

Mayan cooking pot	traditional, handmade ceramic pots crafted from clay, used for thousands of years to cook, store, and serve food

Outcomes

Sculpture	Sculpt a Mayan cooking pot
Painting	Paint your cooking pot and add detail
