19<sup>th</sup> July 2021

Dear Parents/carers,

As we rapidly approach the end of another school year I wanted to update you on some of the arrangements from September in light of Step 4 and the Governments' lifting of restrictions.

We will be maintaining all our existing risk assessments and restrictions until the last day of term, 21<sup>st</sup> July.

All schools have been asked to write and have in place an Outbreak Management Plan from September in case of a resurgence of the virus.

From September, following lengthy discussions with all staff, certain arrangements will be maintained and some will be discontinued, unless we are advised otherwise by Government, Public Health England or the Local Authority. We are remaining very cautious in our plans and I am sure you will appreciate this.

#### Discontinued:

- Bubbles, social distancing, mask wearing by staff and visitors.

#### Remaining:

- Staggered start & ends to the day, collection of children at the start of the day from the school gates, dismissal of all classes by the staff from the school gates.
- Children will be able to enter and exit via the gate most convenient to the families. As now siblings can all enter at the same time as the earliest child should be in school. Please email your new class teacher with your preferences.
- Parents and carers will have restricted access to the school site and will still be expected to wait outside the school grounds at both ends of the school site.
- Honeysuckle will operate 8am-5pm.

Thank you all so much for the support you have continued to give the school this year. This has been another extremely challenging year for us all. Personally, I am so thankful for the hard work, determination and resilience that the children and staff have shown this year despite all the unprecedented challenges, there have been many.

The children have been a true credit to all parents, carers and the community. I am so proud of the Goldington Green community and how we continue to work together to get through the ups and downs of this global pandemic.

Have a safe and restful break.

Yours sincerely

**From the smallest seeds, to the tallest trees, always aiming higher; Give, Grow and Aspire**
