

This timetable is just a suggestion that closely matches the timetable and coverage we would normally provide in school. We recommend that your child follows a plan that is convenient for your family not necessarily this one. We recommend your child starts each lesson by looking at and responding to the marking and feedback from the previous lesson's submitted work. If your child completes any work quickly, then any additional time could be used for religious worship/stories, hearing your child read, practising spellings and times tables.
