Pre School Application Form

What happens next?

Once you have completed an application form for your child, they will be placed on our waiting list, in year group order and then in line with our Admissions Criteria which is currently as listed below:

- a. All 'looked after' children or children who were previously 'looked after'
- b. Children with siblings attending the school.
- c. Children who live nearest to the school determined by straight line distance from a central point on the school site to the pupil's home address

Should your child have any special needs or circumstances, these must be advised on the application, as this may impact upon our ability to make adequate provision for your child.

Unless there are exceptional circumstances, we look for all our children to attend a minimum of two sessions per week.

Pre School generally start children in September and your child must have at least had their 2nd birthday the term before entry.

You will be contacted during the term prior to your child's requested start age to arrange sessions, a visit and a start date, or in the unfortunate instance of no places being available, to be informed of this.

To gain a Primary School place in Reception Year, you must still complete the Bedford Borough 'Starting School' online form, even if your child is already attending our Pre School.

Please note that although your child is wearing whole school uniform and we very much see us as one school, Preschool children are not part of Goldington Green Academy until they are formally admitted into Reception through Bedford Borough Procedures.

Should your details/circumstances change, please advise us as soon as possible.

Should you have any further questions please do not hesitate to contact us on the telephone number or email address above.

Amended September 24
