

We value your support!

In September, Year 2 will be learning about

‘Knights and Castles’

This will include themes such as

- Comparing life in the Middle Ages to life today
- Roles of the people who worked in castles
- Finding out the human and physical features of a castle.
- Designing and making a model castle
- Preparing a Medieval feast
- Investigating media to create a castle image in the style of Turner

The key skills they will be focusing on are :

- Application of IT (computing)
- Communication Skills
- Application of Number
- Working with others
- Improving own learning
- Problem solving

If you feel that you have any interesting ideas / artefacts /resources or contacts etc that you feel could add to the children’s learning experience please note them down below and return this form to the class teacher. We will be very happy to accept them.

If you would like to come in and share your skills, stories or memories with the children please also let us know.

Your contributions are very much appreciated and valued. Thank you for your support.
