

GGA- Year 1 Science Knowledge Organiser - Spring Term Animals Including Humans

Vocabulary	
Leg	Face
Arm	Shoulder
Elbow	Ankle
Head	Chest
Ear	Hip
Nose	Foot

Skills that I am going to learn.

Scientific Enquiry Skills	
Asks simple questions and recognises that they can be answered in different ways.	E.g why do we have joints?
Identifies and classifies.	E.g name and label parts of the body
Uses their observations and ideas to suggest answers to questions.	E.g Use data collected to
Gathers and records data to help in answering questions.	E.g measure each other height. Record the answers on a table and make comparisons

Why are we learning this?

To know how to recognise and name parts of the body and their uses.

Why is it important?

So we understand how to keep healthy.

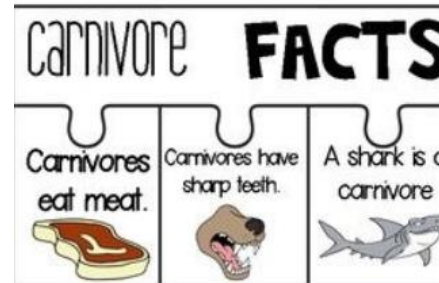

GGA- Year 1 Science Knowledge Organiser - Spring Term

Animals Including Humans

Vocabulary	
Fish	Carnivore
Reptiles	Omnivore
Mammals	Herbivore
Birds	Amphibians

Skills that I am going to learn.	
Scientific Enquiry Skills	
Identifies and classifies.	E.g name and group animals using different ideas.
Uses their observations and ideas to suggest answers to questions.	E.g using what you know answer questions about the animals.
Identify key features and classify	E.G group animals using a Venn diagram.
Draw simple pictures	E.G draw and label animal groups.

Why are we learning this?
To know how to name groups of animals.
Why is it important?
So we understand they all have different features.
